

Financing options

Dollar Bank – This is 12 months no interest credit card. The perk of this one is if there is still a balance after the 12 months there is only a minimal interest charge (typically under 20%) on the remaining balance. They do not back charge the interest for the original amount ran. They will also call before the 12-month period is up.

call Charlie direct at Dollar Bank 440-777-0012

Synchrony Home card

This company offers 6 months same as cash option but then also offers 12 months all the way to 60 months financing.

The approval gives you access to all the options

Depending what monthly option you take there is just an initial processing fee, some customers add that into how much they finance others pay it separately.

The website is <https://modernbuilderssupply.com/programs/mbs/purchase-card.html> This has an instant approval with no waiting period.
